Please join us for Rogue Retreat's first annual report to the community. At the Press Conference, you will learn about the current work and capacity of Rogue Retreat and you will get a first look at the new sites and projects that will be stood up in the community over the next year to help individuals experiencing homelessness.

Rogue Retreat meets unsheltered people as they are (many with addiction and/or mental health challenges) and provides creative and temporary housing for them: a place to call home. With our community partners and our Community Support Specialists, we collectively wrap ourselves around our program participants delivering supportive services to help them achieve their highest potential.

**For questions please contact Matt Vorderstrasse at 541-499-0880 ext. 1060 or by
email at matt@rogueretreat.com.**

Rogue Retreat envisions a community where people who have been homeless have a place to call home and are empowered to strengthen the quality of their lives.
